

Overview of Final Presentation

Objectives

- Organize the final oral presentation content in logical outline order
- Identify appropriate content for each part of the presentation
- Assign presentation roles to each group member

Try It / Solve It

Presentation Sequence

Review the Final Presentation Rubric. This lists all the elements that you need for your presentation. Review the presentation sequence and discuss what you need to write or produce for each step. Assign roles to each member of the team. Develop a document that outlines the presentation sequence and identifies which team member will be responsible for the part. Also indicate who will be responsible for writing or producing each part.
