

Destinations: What's In My Future?

Objectives

- Document a plan where training/education can be obtained to pursue career choices
- Formulate a 10-year vision of educational, career, leisure, and family goals

Try It / Solve It

1 Using Internet resources and the help of your counselor, career center, parent, or guardian, complete each of the steps shown below.

- a. Thirteenth year or first year out of high school – list of specific plans or each month for one year, where can you go to get the education/training to prepare for a career of your choice?
- b. Standard of Living Plan: Written description of your preferred life style, where you want to live and work, documentation of earning potential based on chosen career, and levels of education
- c. Ten Year Goals: Step-by-step list of goals to be completed in the next ten years, including educational, career, leisure, and family goals.
